

**St Bernadette's Primary School**  
**PE Sports Grant 2016-2017 Report to Governors and Parents**

Background

The Government has allocated this additional funding (£8,000 plus £5 per pupil) for the academic year to provide new, substantial primary school sport funding in order to improve the provision of physical education and sport in primary schools. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to schools to be spent on improving the quality of sport and PE for all their children. All state-maintained schools, academies, middle schools, special schools and pupil referral units which have primary aged pupils (as reported in the school census) will receive the funding. This funding is ring-fenced and therefore can only be spent on provision for PE and sport in schools. We will be held accountable for how we have used the additional funding to support pupils progress and participation in PE and school sport. We are required to publish on-line information about how we have used the additional funding, including details about our sporting provision alongside curriculum details. This will ensure that parents/carers and others are made fully aware of the PE and sporting provision at St Bernadette's Primary School.

**Overview of the School: Primary PE Sports Grant Awarded 2016-2017**

Total number of eligible pupils on roll (Years 1 to 6 and pupils aged 5 in Reception as recorded on January 2016 Census)	540
Lump sum	£8000
Amount of Sports Grant received per pupil (£5 x 540)	£2700
<b>Total amount of PE Sports Grant received</b>	<b>£10,700</b>

**Summary of PE Sports Grant 2016-2017**

Objectives of Spending PE Sports Grant

- To expand St Bernadette's Physical Education provisions
- To develop teachers' PE subject knowledge and teaching.
- To widen the sporting opportunities and experiences available to children.
- To develop an affection for sport and physical activity.

Success Criteria

- Increase the numbers of pupils participating in sport across the school day/week/term.
- Improve the playground environment with more children involved in sports activities resulting in fewer lunchtime incidents.
- Boys and girls are participating in more organised competitions across a sports.
